

## Practitioner Certificate in Appreciative Inquiry and the Practice of Positive Change

The Certificate program is a comprehensive development program that gives you the knowledge, skills and experience you need to design and facilitate Appreciative Inquiry initiatives in organizations and communities.

### Benefits of Participation:

- Learn from actual cases how to apply AI to initiatives of any size, length and complexity
- Structure and develop results-focused processes to “back-home” engagements
- Refine skills in a pragmatic, practitioner-oriented environment, facilitated by highly seasoned, pioneering consultants
- Self-paced program, with global options for participation
- Participation in an international community of experienced AI practitioners, enabling sharing and support, exploration of new frontiers, and exchange of resources.

*“CPC’s Certificate Program materials and trainers are outstanding. What I’ve learned has helped mold me into the unique individual and consultant that I am.”*

*Bill Scott  
Innovation Partners International*

**Program Requirements:** A Certificate is awarded when you complete the following CPC courses:

1. **The Power of Appreciative Inquiry: Theory & Practice (formerly known as the Foundations of Appreciative Inquiry).** Learn the basic principles and practices of AI, along with how to apply them for positive results in multiple arenas. Plan your own AI initiative.
2. **Appreciative Leadership Development Program<sup>®</sup>.** Discover the best of who you are as a leader through appreciative feedback, one-on-one coaching and personal reflection. Find your leadership path forward, and identify the resources you need to achieve your dreams.
3. **Applications of Appreciative Inquiry\*.** Explore the applications of AI from a four-hour session to a multi-day initiative. Identify key success criteria and acquire tools to achieve success.
4. **Appreciative Inquiry Summit\* (online workshop).** Learn to design and facilitate large, multi-day meetings (150 to 5000 people) using a radically engaging Appreciative Inquiry 4-D process.

\* *Workshop* participant must complete **The Power of Appreciative Inquiry: Theory & Practice** before joining the workshop.

**Estimated Fees of Certificate Program and Individual Workshops (in USD):**

The Power of Appreciative Inquiry: Theory & Practice (formerly Foundations of AI)**	\$1,800
Appreciative Leadership Development Program©	\$1,800
Applications of Appreciative Inquiry	\$1,450
Appreciative Inquiry Summit (online)	\$1,450

*^ Early bird, non-profit, and group discounts are available for most workshops.*

*\*\* Discounts may be available for graduates of a comparable introductory workshop.*

**Program Schedule:**

You may join the Certificate Program at any time, and apply previously completed workshops towards the requirements.
